

# Fruits & Vegetables Galore Criteria #1

Order a free copy of *Fruits & Vegetables Galore* (required).

**Definition:** *Fruits & Vegetables Galore: Helping Kids Eat More* is a tool for school foodservice professionals with tips on planning, purchasing, preparing, presenting and promoting fruits and vegetables. It was developed in collaboration with USDA (U.S. Department of Agriculture) and FNS (Food & Nutrition Services) among others. *Fruits & Vegetables Galore* will help rejuvenate your cafeteria. This book is mandatory for completing the rest of the criteria. Order your free book by going online to the web address at the bottom.
